Cookie Policy
Last Updated: December 6, 2021

This Cookie Policy explains how BitTitan, Inc. ("BitTitan," "we" or "us") use cookies and other similar technologies on our websites (the "Sites") and our BitTitan web-based service offerings (the "BitTitan Service Offerings").

WHAT ARE COOKIES?

Cookies are small data files stored on your hard drive or in your device memory when you visit a website. Cookies and similar technologies are widely used by websites to make them work more efficiently, as well as to provide information to the website operator about how users are using their website.

HOW DOES BITTITAN USE COOKIES?

BitTitan uses cookies to improve the Sites and BitTitan Service Offerings, and improve your experience when you browse our Site and use our Service Offerings. For example, cookies enable you to move easily between the pages of our Site. We also use cookies for analytics purposes, to see which areas and features of our Site are popular, and to count visits. Additionally, BitTitan may also use 'web beacons', which are electronic images that may be used on our Site or in our emails to help deliver cookies, count visits, and understand usage and campaign effectiveness. For clarity, when we use the term "cookie", we also refer to other similar web technologies such as web beacons and pixel tags.

Below are the types of cookies we collect and use:

- Essential Cookie is any cookie necessary for your use of the Service Offerings. We use essential cookies to authenticate users, combat fraud, ensure data integrity, and protect your data from unauthorized access.
- Functionality Cookie is any cookie used to enhance your access to and use of the Service Offerings, including to recognize your account information upon returning to the Site.
- Analytics and Performance Cookie is any cookie used to track your usage of the Site and improve our Service Offerings.
- Advertising Cookie is any cookie used for advertising purposes, including to enhance your visit to the Site and deliver relevant content to you. We do not share your information with third parties, except as strictly set out in our privacy policy.

HOW TO CHANGE YOUR COOKIE SETTINGS

Most devices allow you to block cookies by adjusting the settings on your browser. However, if you use your browser settings to block all cookies (including essential cookies) this could affect the availability and functionality of the BitTitan Service Offerings.

To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, please refer to your browser 'help' section, or visit **www.aboutcookies.org** or **www.allaboutcookies.org**.

OUR PRIVACY POLICY

Our **privacy policy** explains how we protect your privacy in our use of cookies and other information.

COOKIES THAT HAVE BEEN SET IN THE PAST

If you have disabled one or more cookies, we may still use information collected from cookies before your disabled preference was set. However, we will stop using the disabled cookie to collect any further information.
