(b) **Additional Terms Governing CLU Licenses** – The following additional terms and conditions contained in this Section 2(c) shall apply to all Licensed Software licensed to Customer by LANSAs on a per-CLU basis.

(i) In non-virtual environments, the total physical CPUs each requiring an individual CLU License is calculated as the sum of (A) the number of licensed physical CPU sockets on the system motherboard that are populated with physical CPUs, each of which may have up to four (4) cores without requiring an additional CLU License in respect of Excess Cores (as defined below) as provided in clause (B) below (such initial four cores, the "Base Cores"), and (B) the sum of all Excess Cores calculated in accordance with this Section 2(c)(i). The term "Excess Cores" means, with respect to each physical CPU populated in a socket, the quotient of the aggregate number of all additional cores in excess of the Base Cores for such CPU divided by four (4) and rounded up to the nearest whole number. For example, if there is a two-socket server with each physical CPU socket populated with an eight-core processor, four (4) Physical CPU Units are counted (two in respect of the physical CPUs and two in respect of the cores in excess of the Base Cores per CPU) and four (4) CLU Licenses for the Licensed Software are required. If there is a two-socket server with each physical CPU socket populated with a six-core processor, four (4) Physical CPU Units are counted (two in respect of the physical CPUs and two in respect of the cores in excess of the Base Cores per CPU) and four (4) CLU Licenses for the Licensed Software are required.

(ii) In virtual environments, a virtual CPU requiring an individual CLU License is defined as up to four (4) virtual CPUs allocated to a virtual machine. For example, if four (4) virtual CPUs are allocated to a virtual machine, four (4) Virtual CPU Units are counted and one (1) CLU License for the Licensed Software is required. If seven (7) virtual CPUs are allocated to a virtual machine, seven (7) virtual CPUs are counted and two (2) CLU Licenses for the Licensed Software are required.

- (c) **Copies & Disaster Recovery** -- Customer may make a reasonable number of back-up archival copies of the Licensed Software. In the event of any outage that results in the complete failure of the computer system upon which Customer has installed the Licensed Software, Customer's right to use the Licensed Software shall include, during the pendency of such outage, the temporary right to use the Licensed Software in a replacement computing environment substantially similar to the original computing environment upon which the Licensed Software was installed immediately prior to such outage. Customer shall reproduce all confidentiality and proprietary notices on each of the copies permitted hereunder and maintain an accurate record of the location of each of the copies. Customer shall not otherwise copy or duplicate the Licensed Material. Customer shall not reverse engineer, disassemble, translate, modify, adapt, or decompile the Licensed Material or apply any procedure or process to the Licensed Material in order to ascertain, derive, and/or appropriate the source code or source listings for the Licensed Software or any trade secret or other proprietary information contained in the Licensed Software.
- (d) **Other Services** – All licenses and Maintenance Services purchased by Customer in respect of the Licensed Material shall be governed by this Agreement, together with the applicable Purchase Orders delivered hereunder. Unless otherwise agreed by the parties in writing, all other services purchased by Customer in respect of the Licensed Software, if any, including implementation services, training services and professional services (collectively, "Ancillary Services"), shall be governed solely by a separate written mutually acceptable services agreement entered into by the parties or, in the absence of such agreement, LANSAs's standard professional services agreement, and acceptance of the Licensed Material shall not be contingent upon Customer's acceptance of any such Ancillary Services.

In the event that Customer elects to pay any fees due hereunder with a credit card, (i) Customer is required to provide LANSAs with a valid form of credit card payment and to keep all such credit card information current and accurate in respect of all renewal fees, (ii) Customer shall promptly notify LANSAs if its credit card has changed or has been declined and (iii) Customer hereby consents to LANSAs automatically processing and charging all fees due by Customer hereunder, including all renewal subscription fees, to the credit card submitted by Customer. All fees payable by Customer in

respect of any Ancillary Services may be separately invoiced. Customer's payment obligation with respect to all license fees and Maintenance Services fees owing hereunder shall be independent of the provision of Ancillary Services, whether or not such Ancillary Services are separately invoiced. Any late payment of any amount owing hereunder shall accrue interest at a rate equal to the lesser of (i) 15% per annum and (ii) the maximum rate permitted by law.

- (c) **Taxes** – All payments referred to in this Agreement are exclusive of value added tax, sales tax and any other applicable taxes, duties or imposts which (with the exception only of those based on LANSAs's income) shall also be payable by Customer in accordance with applicable law.

4. MAINTENANCE – LANSAs does not warrant that the Licensed Software will operate error-free or may be used error-free. With respect to the Licensed Software specified in each Purchase Order, upon Customer's payment of the license fees associated with such Licensed Software, as specified in each Purchase Order, LANSAs shall provide Maintenance Services for such Licensed Software during the License Term in accordance with this Section 4 and in accordance with the additional Maintenance Services terms specified in such Purchase Order. Maintenance Services includes problem determinations, reasonable problem resolutions, provisioning of software program temporary fixes and new releases. Maintenance Services shall also include any additional Maintenance Services terms specified in the Purchase Order pursuant to which Customer purchased a license to use the Licensed Software. Maintenance Services shall be provided in accordance with the additional Maintenance Services terms specified in such Purchase Order. Maintenance Services shall entitle Customer to receive, at no additional cost, all Updates.

5. PROPRIETARY RIGHTS – Customer shall not acquire, by virtue of this Agreement, any right or license other than as expressly provided herein. Customer shall not reproduce the Licensed Material or other confidential or proprietary information of LANSAs, except as provided in this Agreement. All proprietary rights in and to the Licensed Material and all Evaluation Software (as defined in Section 16 below), all derivatives, translations, modifications, adaptations, improvements, enhancements or developments thereof and all confidential or proprietary information of LANSAs, including without limitation, all rights under and with respect to patents, copyrights, trademarks and rights under the trade secret laws of any jurisdiction shall remain the sole property of LANSAs or its applicable licensor, whether recognized by or perfected under applicable local law. correcting such Error or breach is not established within such thirty (30) day period, LANSAs shall replace the defective Licensed Software or, if not practicable, accept the return of the defective Licensed Software and refund to Customer the pro rata pre-paid amount for the remaining portion of the Initial Term or Renewal Term, as applicable. LANSAs's obligations under this Section 6(b) shall be waived in the event such Error or breach is due to (I) any defect in or misconfiguration of the computer hardware upon which the Licensed Software is installed, (II) improper handling or use of the software media by Customer, or (III) an unauthorized alteration, revision or configuration of the Licensed Software or to Customer's computer system by Customer or its employees. Customer acknowledges that this Section 6(b) sets forth Customer's sole and exclusive remedy, and LANSAs's and its authorized representatives' sole and exclusive liability, for any breach of warranty, Error or failure of the Licensed Software to function properly.

- (c) **Limitation** - LANSAs shall have no indemnity obligation to Customer hereunder if the violation or infringement claim results from (i) a correction or modification of the Licensed Material not provided by LANSAs or its authorized representative, (ii) the failure to promptly install an Update, (iii) the combination of the Licensed Software with other non-LANSAs software and (iv) continuing the allegedly infringing activity after receiving written notice of such infringement claim from LANSAs.

8. NO CONSEQUENTIAL DAMAGES - UNDER NO CIRCUMSTANCES WILL LANSAs OR ITS AUTHORIZED REPRESENTATIVES BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE, EXEMPLARY OR INCIDENTAL DAMAGES, WHETHER FORESEEABLE OR UNFORESEEABLE, BASED ON CLAIMS BY CUSTOMER OR ANY THIRD PARTY (INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR LOSS OF DATA, GOODWILL, PROFITS, USE OF MONEY OR USE OF THE LICENSED MATERIAL, INTERRUPTION IN USE OR AVAILABILITY OF DATA, STOPPAGE OF OTHER WORK OR IMPAIRMENT OF OTHER

ASSETS), ARISING OUT OF BREACH OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, BREACH OF ANY INTELLECTUAL PROPERTY RIGHT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE, EXCEPT ONLY IN THE CASE OF PERSONAL INJURY WHERE AND TO THE EXTENT THAT APPLICABLE LAW REQUIRES SUCH LIABILITY. IN NO EVENT WILL THE AGGREGATE LIABILITY INCURRED IN ANY ACTION OR PROCEEDING AGAINST LANSA OR ITS AUTHORIZED REPRESENTATIVE EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY CUSTOMER FOR THE SPECIFIC LICENSED SOFTWARE THAT DIRECTLY CAUSED THE DAMAGE.

9. CONFIDENTIALITY

(a) **Confidentiality.** – Customer acknowledges that the Licensed Materials incorporate confidential and proprietary information developed or acquired by or licensed to LANSA and that all results of testing of the Licensed Software, whether performed by Customer or another third party, are confidential. In no event will Customer publish or disclose the results of any testing or performance specifications of the Licensed Software without LANSA's express prior written consent. A party that receives Confidential Information (the "Receiving Party") from the other party (the "Disclosing Party") shall not: (i) export or re-export (within the meaning of US laws or other export control laws or regulations) any Confidential Information, except in strict compliance with US laws; (ii) reverse engineer any Confidential Information; or (iii) disclose or make available the Disclosing Party's Confidential Information to any of the Receiving Party's employees, agents, contractors or consultants or to any third parties, except those that have agreed in writing to be bound by terms and conditions substantially similar to, and no less restrictive with respect to limitations on use and disclosure, than those contained in this Agreement and each of which have a "need to know" in order to carry out the purposes set forth in this Agreement. Each party shall take all reasonable precautions necessary to safeguard the confidentiality of all Confidential Information disclosed by the other party, including those precautions (A) taken by the disclosing party to protect its own Confidential Information and (B) which the disclosing party or its authorized representative may reasonably request from time to time. Neither party shall allow the removal or defacement of any confidentiality or proprietary notice placed on the Confidential Information disclosed by the disclosing party. The placement of copyright notices on Confidential Information shall not constitute publication or otherwise impair their confidential nature of such information.

(b) **Disclosure** - If an unauthorized use or disclosure of the disclosing party's Confidential Information occurs within the recipient party's enterprise, the recipient party will immediately notify the disclosing party or its authorized representative and take, at recipient party's expense, all steps which may be available to recover such Confidential Information and to prevent its subsequent unauthorized use or dissemination.

10. TERMINATION – Upon 30-days prior written notice to LANSA, Customer may terminate this Agreement; provided, however that Customer shall not be entitled to a refund (except as expressly set forth in Section 6(b) and 7(b)) of any amounts paid or a release from or cancellation, waiver or novation of any amount payable, and all such amounts payable or promised to be paid through the License Term shall automatically accelerate and be immediately due and payable and shall survive such termination of this Agreement. 12. EQUITABLE RELIEF – The parties recognize that Sections 5, 9, 11 and 17(h) are necessary for the protection of the business and goodwill of the parties and are considered by the parties to be reasonable for such purpose. The parties agree that any breach of such Sections would cause the other party substantial and irreparable damage and therefore, in the event of any such breach, in addition to other remedies which may be available, the non-breaching party shall have the right to seek specific performance and other injunctive and equitable relief in a court of law.

13. LICENSE KEY & USE REPORTING - Customer acknowledges that a security code owned and controlled by LANSA or its subsidiaries (the "License Key") is required to render the Licensed Software operational on Customer's computer hardware during the License Term. Once utilized to install the Licensed Software on Customer's computer hardware, no other security code will be required for the Licensed Material to operate on such computer hardware in accordance with the terms and restrictions contained in this Agreement and no other disabling device will prevent the Licensed Software from operating on Customer's computer hardware during the License Term. Further, Customer acknowledges that the License Key shall expire upon the expiration of the current License Term and that upon such expiration the Licensed Software shall cease to operate unless and until another License Key is obtained from LANSA. Customer shall not attempt to crack, alter or otherwise derive the License Key. LANSA shall promptly (which in the event of any renewal of a License Term shall be prior to expiration of the current License Term) provide Customer with all necessary License Keys upon renewal of each License Term and upon any authorized transfer of the Licensed Software to any other hardware equipment permitted under Section 2(b) of this Agreement. LANSA reserves the right to gather data on license usage by Customer for each item of Licensed Software, including License Key numbers, server IP addresses, email addresses of users, domain counts and other information deemed relevant, to ensure that the Licensed Software is being used in accordance with the terms of this Agreement. LANSA expressly prohibits domain count overrides without prior written approval. Customer hereby consents to LANSA gathering and processing such usage information and agrees not to block, electronically or otherwise, the transmission of data required for compliance with this Agreement. Any unauthorized use of the Licensed Software by Customer or other use by Customer in violation of the restrictions contained herein shall be deemed a material breach of this Agreement. In addition to the foregoing, within ten (10) business days of Customer's receipt of LANSA's written request, Customer shall provide to LANSA a written report certifying to LANSA the number of licenses for Licensed Software installed, used or accessed by Customer, the identity of the applicable servers, hardware or computers upon which such licenses are installed and, to the extent applicable, the installation location and location and number of users accessing such licenses, together with such other information as may be requested by LANSA and necessary to confirm Customer's compliance with the terms of this Agreement. The auditing, reporting and certification rights and obligations set forth in this

Section 13 shall survive termination of this Agreement for a period of eighteen months..

14.
